

MBV motor oil

SAE 5W-30 · 0W-30

Description:

Kompressol-MBV motor oil is a synthetic high-performance, low-friction motor oil for modern passenger car engines using the latest technology.

Properties:

Excellent cold start behavior ensures optimal lubrication security in the cold running phase. Extreme loads and high temperatures are safely controlled under all operating conditions.

With high fuel savings and extreme reductions in emissions, Kompressol-MBV Motorenoel makes an excellent contribution to protecting the environment.

Specifications:

ACEA C3
API SN
MB approval 229.51 (5W-30)
VW approval 504.00 / 507.00

Recommendations:

API	CF
BMW	Longlife 04

PPE (Peugeot, Citroen)	B71-2290, B71-2297
Porsche	C30
Renault	

Application:

Kompressol-MBV motor oil serves to supply **Mercedes Benz-**, **BMW-** and **VW-** Diesel engines with extended maintenance intervals (WIV) and soot particle filters and is mandatory there.

Kompressol-MBV motor oil can also supply motors without any problems, where the ACEA-C1, -C2 is prescribed because the high temperature viscosity, of an ACEA C3- Significantly higher safety offers reserves.

Note:

For VW vehicles with pump-nozzle diesel engines without WIV (model year 1999), the VW oil standard 505.01 is still mandatory.
